PROJECT INFORMATION:

Trevecca Nazarene University purchased an adjacent commercial property, renovated it, and added on to it resulting in the Boone Business Building. This structure houses their School of Business, Convocation Center, work areas and classrooms. RD Herbert's work included; tearing off the existing roof, then installing new roofing, dormers and wall panels.

DETAIL:

The scope of work also included 24 ga. Kynar steel shop-fabricated copings, wall and curb counter flashings, and pre-fabricated expansion joints.
